Internal Detectors

The KX Range:
One family for all your detection needs

ENFORCER
two way wireless technology

KX15DTAM	**KX12DT-WE**
KX15DT	**KX10DTP-WE**
KX10DTP	**KX12DQ-WE**
KX15DQ	**KX15DC-WE**
KX15ED	**KX25LR-WE**
KX18DC	**KX10DP-WE**
KX10DP	

The KX® range comprises of both wired and wireless detectors in one common housing*.

Utilising the latest detection technologies, this extensive range with interchangeable PCB modules allows simple exchange or easy upgrading.

No matter the application or the environment, the KX range is the perfect choice.

Except the KX12DT-WE and KX10DTP-WE

Features and Specifications

The KX Wired Detector Range

Wired KX
Common Features

3D cover & Creep Zone
DEOL Resistors

EN50131-2-2:2008
EN50131-2-4:2008
EN50131-1:2006+A1:2009
PD6662:2010
Environmental Class II

Digital Dual Technology & Anti-Masking

KX15DTAM
15m Digital Dual Technology and Anti-Masking Detector

Dual Tech | 15m Volumetric | Anti-Mask
Digital | Adjustable Sensitivity | Lenses Included

Recommended Environments:
Industrial, Commercial: Factories, Garages.

(3)

Digital Dual Technology

KX15DT
15m Digital Dual Technology Detector

Dual Tech | 15m Volumetric | Digital
Adjustable Sensitivity | Brackets Included

Recommended Environments:
Industrial, Commercial, Domestic: Conservatories, Garages.

(2)

Digital Dual Technology with Pet Immunity

KX10DTP
10m Digital Dual Technology Pet Immune Detector

Dual Tech | 10m Volumetric | Digital
Adjustable Sensitivity | Brackets Included | Pet Immune

Recommended Environments:
Industrial, Commercial, Domestic: Conservatories, Garages.

(2)

Digital Quad Detector.

KX15DQ
15m Digital Quad PIR Detector

Virtual Quad PIR | 15m Volumetric | Digital
Adjustable Sensitivity | Brackets Included

Recommended Environments:
Commercial, Domestic: Kitchens, Living Rooms, Bedrooms.

(2)

Digital Economy Detector

KX15ED
15m Economy PIR Detector

Dual Element PIR | 15m Volumetric | Automatic
Adjustable Sensitivity | Brackets Included

Recommended Environments:
Commercial, Domestic: Kitchens, Living Rooms, Bedrooms.

(2)

Digital Curtain Detector.

KX18DC
18m Digital Curtain PIR Detector

Dual Element PIR | 18m Curtain | Digital
Adjustable Sensitivity | Lens Included | Brackets Included

Recommended Environments:
Domestic: Corridors, Hallways.

(2)

Digital Pet Immune Detector

KX10DP
10m Digital Pet Immune PIR Detector

Dual Element PIR | 10m Volumetric | Digital
Adjustable Sensitivity | Brackets Included | Pet Immune

Recommended Environments:
Domestic: Living Rooms, Bedrooms.

(2)

The KX Enforcer Wireless Detector Range

Wireless KX
Common Features

Two Way Wireless | One Push To Learn | SSI (Signal Strength Indicator)
3D cover & Creep Zone | Blue Wave Technology | Battery Included

EN50131-2-2:2008
EN50131-2-4:2008
EN50131-5-3:2005+A1:2008
PD6662:2010
Environmental Class II

Wireless Dual Technology

KX12DT-WE
12m Two Way Wireless Dual Technology Detector

Dual Tech | 12m Volumetric | Digital
Adjustable Sensitivity

Recommended Environments
Industrial, Commercial, Domestic: Conservatories, Garages.

(2)

Wireless Dual Technology with Pet Immunity

KX10DTP-WE
10m Two Way Wireless Dual Technology Pet Immune Detector

Dual Tech | 10m Volumetric | Digital
Adjustable Sensitivity | Pet Immune

Recommended Environments
Industrial, Commercial, Domestic: Conservatories, Garages.

(2)

Wireless Quad Detector

KX12DQ-WE
12m Two Way Wireless Quad PIR Detector

Virtual Quad PIR | 12m Volumetric | Digital
Auto Sensitivity

Recommended Environments
Commercial, Domestic: Kitchens, Living Rooms, Bedrooms.

(2)

Wireless Curtain Detector

KX15DC-WE
15m Curtain PIR Detector.

Dual Element PIR | 15m Curtain | Digital
Auto Sensitivity

Recommended Environments
Domestic: Corridors, Hallways.

(2)

Wireless Long Range Corridor Detector

KX25LR-WE
25m Two Way Wireless Long Range Corridor PIR Detector

Dual Element PIR | 25m Corridor | Digital
Auto Sensitivity

Recommended Environments
Domestic: Corridors, Hallways.

(2)

Wireless Pet Immune Detector

KX10DP-WE
10m Two Way Wireless Pet Immune PIR Detector

Dual Element PIR | 10m Volumetric | Digital
Auto Sensitivity | Pet Immune

Recommended Environments
Domestic: Living Rooms, Bedrooms.

(2)

ENFORCER
two way wireless technology

All wireless KX detectors use the **multi award winning** Enforcer Two Way wireless technology.

The wireless range of detectors can only be used on the **Enforcer 32-WE** control panel or via the **EURO-ZEM32-WE** wireless expander that can be connected to the EURO commercial range of control panels.
