- 20 second drying time
- Low noise level 70 dB(A) at 2 m
- Flow air flow outlet – stream of air
- Smallest hand dryer in class – less than 10 cm in depth
- Optimum performance/ energy consumption / cost ratio
- CE, IP23 rating and double insulated
- Electricity Supply 220/240 V – 50/60 Hz
- 3 Year Warranty

Hand Dryer

Airflow are pleased to introduce one of the world's smallest hand dryers – the ecoDRY mini. The ecoDRY mini is ideal for washrooms where space is limited as it only protrudes less than 10 cm from the wall when fitted. Taking a mere 20 seconds to dry one's hands, it consumes minimal energy and boasts an excellent

performance/ energy consumption/ cost ratio making it the ideal choice for customers looking for an entry level hand dryer.

ecoDRY mini is another inspiring design Airflow is proud to have in their ecoDRY portfolio of hand dryers.
