

PowerMaster-GTX

PowerG

PowerMaster-GTX Compact Wireless Security and Safety System

PowerMaster-GTX is a compact security system for homes and small to mid-size businesses. Using highly secure PowerG wireless technology, it delivers superior range, long battery life, and unmatched wireless robustness.

- Combines both high performance and affordability
- Fast, fuss-free wireless installations
- Supports all security and safety needs + visual verification
- Utilizes smoke detector buzzers for louder alarms
- Works with more than 60 wireless devices, including 8 keypads, 8 keyfobs, 4 sirens, 4 repeaters in 30 zones
- 12 or 24 hour back-up battery
