

atc Cheetah High Speed Hand Dryer

Powerful and Robust

atc Cheetah High Speed Hand Dryer

DESCRIPTION

Product Code	Z - 2281M	Z - 2281W
Cover Material	Stainless Steel	Steel
Finish	Matt Stainless Steel	Painted Steel
Warranty	2 Year	2 Year
Activation	Automatic	Automatic

**Hotels, Pubs, Restaurants,
Motorway Stations, Night Clubs**

ELECTRICAL SPECIFICATIONS

Voltage	220/240V
Frequency (Hz)	50 / 60Hz
Motor Type	Brush Type
Power Output	1475Watts
Motor Power	625Watts
Heating Power	900Watts
Amps	6.6Amps
Sensor	0-250mm
Drying Time	15 seconds
Air Speed	65 m/s
Filter	Filter Included

NOISE LEVEL 75dB (at 1m)

APPROVALS CE

SAFETY FEATURES

Motor Thermal Protection	Turns unit off at 135°C
Heater Thermal Protection	Turns unit off at 142°C
Time Protection	45s Auto Shut Off
Cover Screws	Vandal Resistant
Protection	IPX1

SIZE AND WEIGHT

Width	295mm
Height	320mm
Depth	170mm
Weight	4.5kg

Note: All calculations assume a supply voltage of 230V

Energy Efficient
Low Running Costs
Only 1475 Watts

High Performance
Powerful Airflow
Dries Hands in 15
Seconds

Quiet Operation
Only 75dB (at 1m)

Cost Savings
No Paper Mess or Waste
Significant Savings over
Paper, Linen or Standard
Hand Dryers

Energy Saving Feature
When The Cheetah
Senses That the Incoming
Air Temperature is Above
26°C it Automatically
Shuts Off the Heating
Element to Save Power
Lowering the Power
Usage to 625W.
